Responding to common patient questions

How do I create a PatientWallet® account?

To create a PatientWallet® account:

1. Navigate to **MankatoClinic.patientwallet.com**
2. Click the Log In button in the top right, then click the **Create Account** tab*
3. Fill out the **required contact information** and **create a strong password** (at least 8 characters, at least 1 number, and at least 1 capital letter)
4. Check the **"I agree to the Terms of Use"** box and click the **Create Account** button

** If you have your Mankato Clinic bill with you, you may enter the SecureHealthCode and the Balance Due in the panel on the left and click Find Bill. Once you click Make Payment on the following screen, a new window will open prompting you to create a new account.*

The screenshot displays the Mankato Clinic PatientWallet interface. The top section features the Mankato Clinic logo and navigation links for 'English', 'Contact Us', and 'Log In'. Below the logo, there are two input fields: 'SecureHealthCode on Bill' and 'Total Balance Due on Bill', with a 'Find Bill' button underneath. A 'Need help?' link is also present. The right side of the interface shows a welcome message: 'Welcome to the PatientWallet®! We've partnered with your healthcare provider to give you the simplest, most secure payment experience possible.' Below this, there are 'Create Account' and 'Log In' buttons. The 'Create Account' form includes fields for 'First Name', 'Last Name', 'Email Address', 'Mobile Phone', and 'Password', followed by a 'Confirm Password' field. There are two checkboxes: 'Text me new bill notifications and reminders' and 'I agree to the Terms of Use'. A 'Creating Account...' button is at the bottom.

Mankato Clinic's PatientWallet®

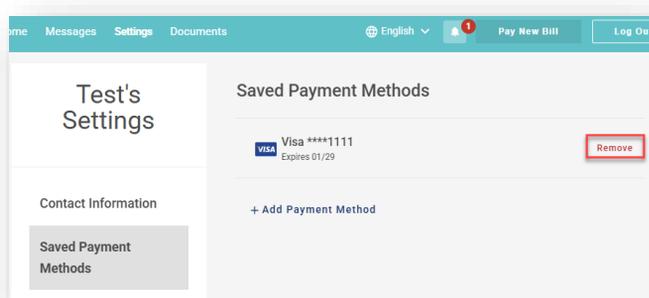

Responding to common patient questions

Is the PatientWallet® secure?

Yes, and we have the acronyms to prove it! The PatientWallet® is PCI Level 1 compliant and strictly adheres to all HIPAA regulations. In addition, each Mankato Clinic bill is assigned a unique nine-digit SecureHealthCode, which protects patient information and ensures payment security. The PatientWallet® uses tokenization to protect patient payment information by replacing real credit card numbers with a random string of characters that can be safely stored and used to process future or recurring payments.

How do I delete my credit card from my PatientWallet®?

For the protection and security of your information, we do not store any credit card information in the PatientWallet®. Rather, we use a process called tokenization, which replaces your card information with non-sensitive equivalent “tokens” that can be safely stored and used to process future or recurring payments. That being said, you are able to delete saved payment methods if you would like.

To delete a saved payment method:

1. Log in to your PatientWallet® at MankatoClinic.patientwallet.com
2. Navigate to the **Settings** section
3. Select the **Saved Payment Methods** on the left side of the screen and delete any payment method(s) you would like

Please note: Payment methods that are saved to payment plans or scheduled payments cannot be removed until the payment(s) are complete.

I'm receiving eBills but I want paper bills.

If you ignore your eBill, you will receive a paper version of your bill a few days later. However, if you would like to opt out of eBills completely, you can do that within your PatientWallet® account.

To opt out of eBills completely:

1. Log in to your PatientWallet® at **MankatoClinic.patientwallet.com**
2. Navigate to the **Settings** section
3. You may **opt out of eBills by unchecking** the Email Me and/or Text Me boxes
4. Be sure to click the **Save Changes** button

The screenshot shows the 'Test's Settings' page. On the left is a navigation menu with 'Contact Information', 'Saved Payment Methods', and 'Account Management'. The main content area has a red header with a warning icon and the text 'Please verify your mobile phone number.' Below this is the 'User Details' section with fields for Name (Test), Email (test@waystar.com), and Mobile Phone. The 'Communication Preferences' section is highlighted with a red box and contains two checkboxes: 'Email me when new bills are added to my account.' (checked) and 'Text me when new bills are added to my account.' (unchecked). A red 'Save Changes' button is at the bottom.

I lost my bill. / I need help finding my bill.
